

MTC4092-1000

Sector Frame Reinforcement Kit for G22 Series

Product Classification

Product Type	Reinforcement kit
Product Series	G2

General Specifications

Mounting	Round member
Sectors, quantity	1

Dimensions

Mounting Diameter, maximum	1270 mm in
Mounting Diameter, minimum	254 mm in
Stand-off Distance	914.4 mm in

Material Specifications

Material Type	Hot dip galvanized steel
----------------------	--------------------------

Packaging and Weights

Included	Attachment hardware Supports
Packaging quantity	2
Weight, net	13.05 kg 28.77 lb
