## MST-06RHM0-A0055UM

# MST, Fiber Optic Multiport Service Terminal, 6-port, square 4x3 port, dielectric flat loose tube cable, HMFOC at far end, 55 m

- Hardened connectors are factory-terminated and environmentally sealed for use in optical drop cable deployments
- Plug and play adapter ports ensure rapid cable installment in the outside plant access section of the network
- Multiport Service Terminals incorporate hardened connector technology that is designed to withstand the rugged outside plant environment

#### Product Classification

| Regional Availability  | Asia   Latin America   North America  |
|------------------------|---------------------------------------|
| Product Type           | Access terminal, without splitter/tap |
| Product Series         | MST                                   |
| General Specifications |                                       |
| Cable Type             | Dielectric - Flat - Loose Tube        |
| Cable, quantity        | 1                                     |
| Distribution Type      | 6 ports                               |
| Enclosure Color        | Black                                 |
| Mounting               | Handhole   Pedestal   Pole   Strand   |
| Port Type              | Hardened full-size SC/APC             |
| Port, quantity         | 6                                     |
| Splitter, quantity     | 0                                     |
| Stub Type              | Hardened multi-fiber (HMFOC) plug     |
| Dimensions             |                                       |
| Height                 | 414.5 mm   16.319 in                  |
| Width                  | 188 mm   7.402 in                     |
| Depth                  | 92.1 mm   3.626 in                    |
| Cable Length, stub     | 180 ft (55 m)                         |
| Cable Outer Diameter   | 4.5 x 8.1 mm (0.18 x 0.32 in)         |
|                        |                                       |
