760250933 | CMC Plinth

CMC 6" High Plinth, Cabinet Mounting Used with 36" Wide Cabinets

The plinth is designed to mount and elevate the CMC large footprint cabinet by 6". It uses the same ½" hardware from CommScope and is constructed entirely out of steel to support all CMC series large footprint cabinets.

- Designed to withstand seismic Zone 4 requirement
- Same interface to fit the CMC large footprint cabinets
